Please note:

This schedule reflects the general timeline in which safety surveys will be conducted by the Lab Safety Office. Biological labs with register projects will have their safety surveys conducted by the Biosafety Office and will follow a separate schedule.

The schedule as provided is subject to change and is not a commitment for a specific month. Lab Safety surveys are not necessarily listed in the order in which they will be performed. If you have any questions, please contact Lab Safety Program manager Cindy Mercado, at cindy.mercado@ehs.ufl.edu.
