

Lab Safety Awareness Week

February 10-14, 2025

Celebrate Lab Safety Week! Participate in the activities and email your submissions to:

labsafety@ehs.ufl.edu

Submission Deadline: Friday, Feb 28

Meet the Lab Safety Team & ESCO

Visit our table for information and swags

- Fifield (Main Entrance) - **Feb 12 @ 10 AM**
- Physics (Atrium)- **Feb 14 @ 9 AM**
- Engineering (NEB) - **Feb 21 @ 10 AM**

Learn about the New Dichloromethane (DCM) requirements

<https://ufl.zoom.us/j/95039612484?pwd=yuPmVbus5dZR37xY4P7T1ORL7KfAfz.1&from=addon>

- Join us on **Monday, Feb 10 @ 10:00 AM** via Zoom where our Chemical Hygiene Officer/Industrial Hygienist will host a discussion about new regulations for DCM users

Lab Safety Challenge *(email before and after pictures)*

Pick at least one:

- Order and complete your NEW notice board
- Clean your Fume Hood and Gloveboxes
- Correct Chemical Storage: Acids are separate from bases. Flammables are separate from acids and oxidizers. Inorganic acids are separated from organic acids
- First aid and chemical spill kits are fully stocked

Unwanted Chemical Cleanout Challenge *(email with the confirmation)*

- Review unwanted/old Chemicals in your lab and schedule a waste pick-up
- Invite us to help with DCM disposal
